2. Will attempt to locate and interview these Cuban exiles who are now in Miami and others when they return from Costa Rica.

3. Will maintain contact with MM 974-S concerning activities of captioned organization.

ADMINISTRATIVE

MARTI PEREZ and LUIS PUENTES have not been identified because of lack of descriptive data and complete names. It is expected they will be identified in the near future.

MM 974-S feels that interview of INOCENTE ALVAREZ would compromise MM 974-S and the Miami Office agrees. Inasmuch as this informant is the most valuable source of the Miami Office concerning anti-CASTRO activity, ALVAREZ will not be interviewed until information is developed concerning him independent of that furnished by MM 974-S and CIA.
